To Whom it May Concern:

On behalf of The Academy Cup, I would like to request a release from school for all players scheduled to participate in The Academy Cup. The event will take place in Florida and will provide unparalleled competition from across the nation. We realize the importance of a player's education and strive to accommodate the academic calendar as much as possible. Regrettably, our event will result in some players missing 1-2 days of school for travel and competition. Thank you for your understanding and support!
